- C. Patton Burgess has joined the Society.
- D. Kendra and Seth's parents have been kidnapped.

Section 2: Medium**11. Why does the stingbulb copy of Kendra create so much confusion?**

- A. It can command the centaurs to surrender the horn.
- B. It remembers every secret written in Patton's journal.
- C. It looks like Kendra closely enough that others believe she died.
- D. It turns Fablehaven's fairies against the caretakers.

12. Why is the Oculus dangerous for Kendra to use?

- A. It overwhelms her by letting her see far more than a person can handle.
- B. It permanently changes her into a fairy dragon.
- C. It erases her memories of the Knights of the Dawn and leaves her unable to recognize Grandpa Sorenson.
- D. It lets the centaurs track everyone who touches it.

13. Why are the Knights willing to risk going to Wyrmoost?

- A. They want Agad to train Seth as a dragon tamer.
- B. They need a key connected to the vault that holds the Translocator.
- C. They believe Kendra's parents are hidden in the Dragon Temple.
- D. They plan to trade the unicorn horn for Vanessa's freedom and end the artifact race at once.

14. Why does stealing the unicorn horn create a moral problem?

- A. Seth has promised Graulas he will never enter the centaur land.
- B. The horn belongs to the Society, even though the centaurs guard it.
- C. The horn can only be used once before it loses all power and strands the Knights inside Wyrmoost.
- D. The mission may save many people, but it still requires taking something sacred from the centaurs.

15. What does Seth learn from Graulas about himself?

- A. He is secretly immune to all dragon magic.
- B. He can open any magical vault by touching it and can command dragons to surrender treasure.
- C. He is a shadow charmer with abilities tied to darkness.
- D. He is the only person who can safely use the Oculus.

16. Why does Seth hide in the magical knapsack during the trip to Wyrmoost?

- A. He needs to recover from the stingbulb poison.

- B. He is not supposed to be part of the official mission.
- C. He is guarding Warren from the centaurs.
- D. He is the only one small enough to enter the Dragon Temple.

17. Why does Vanessa remain difficult for the group to trust even when she helps them?

- A. She has betrayed them before, so her useful knowledge does not erase the risk.
- B. She refuses to admit that Kendra was kidnapped.
- C. She can only help if the Sphinx gives her permission and promises to release every prisoner.
- D. She wants to keep the unicorn horn for herself.

18. Why does Raxtus stop short of helping Kendra all the way through the Dragon Temple?

- A. He loses his ability to become invisible near the shrine.
- B. He is secretly working for Navarog.
- C. He cannot leave Thronis's tower without Agad's permission.
- D. He believes going farther would betray dragonkind.

19. What does Gavin's betrayal show about the conflict with the Society?

- A. The Society has stopped caring about the artifacts.
- B. Enemies can hide inside the heroes' circle until the worst possible moment.
- C. The centaurs are the true leaders of the Society.
- D. Dragon magic is powerless against fairy dragons whenever a battle happens near the shrine.

20. How does Raxtus become especially important near the end of the Wyrmoost mission?

- A. He convinces Thronis to hand over the key without a bargain.
- B. He opens the vault containing the Translocator by himself.
- C. He attacks Navarog when Navarog seems to have won.
- D. He leads Kendra's parents back from the Dragon Temple.

Section 3: Hard

21. Which theme is best shown by Kendra's escape from Torina's house?

- A. Magical power matters more than courage.
- B. The safest choice is always to wait for adults to act.
- C. Enemies are usually defeated by direct strength alone.
- D. Resourcefulness can matter as much as raw power.

22. What is ironic about Seth's shadow-charmer abilities?

- A. A gift connected to darkness helps him protect people from darker threats.
- B. The centaurs gave him the power while trying to keep the horn safe.
- C. The Oculus caused the change even though Kendra was the one who used it and Seth never touched it.
- D. His new abilities make him unable to see invisible objects.

23. Why does the Wyrmoost mission feel different from earlier Fablehaven dangers?

- A. The children face no magical creatures inside the sanctuary.
- B. The mission is only about protecting Fablehaven's own borders rather than the larger artifact race.
- C. The team deliberately enters a place designed for creatures far more powerful than humans.
- D. The Society agrees to pause the artifact race until the mission ends.

24. What does the team's bargain with Thronis reveal about survival in Wyrmoost?

- A. Every dangerous creature can be trusted after one honest conversation and a brave speech.
- B. Clever negotiation sometimes buys time when fighting would be hopeless.
- C. The safest plan is to refuse all deals with magical beings.

D. Thronis cares more about helping humans than guarding his own domain.

25. Which statement best explains Vanessa's role in the story?

- A. She complicates the line between enemy and ally because her help is real but trust remains costly.
- B. She proves that no person who has betrayed Fablehaven can ever do anything useful again, no matter what changes.
- C. She replaces Kendra as the main leader of the Knights of the Dawn.
- D. She removes the need for Seth and Kendra to make risky choices.

26. What does Gavin's true identity force the reader to reconsider?

- A. Whether the centaurs were secretly right about every choice Seth made
- B. Whether Agad should have refused to let the Knights enter Wyrmoost
- C. Whether Kendra's fairy gifts are actually stronger than dragon magic
- D. Whether charm and helpfulness are reliable signs of loyalty

27. Why is returning the unicorn horn to the centaurs important after the mission?

- A. It lets Seth keep all of his shadow-charmer abilities and become the centaurs' permanent champion.
- B. It partly repairs a broken trust, even though the original theft remains morally messy.
- C. It proves the Society never wanted the artifacts.
- D. It allows Kendra to use the Oculus without help.

28. How does Raxtus challenge the usual expectations about dragons?

- A. He is the only dragon who cannot speak to humans.
- B. He values centaur customs more than dragon loyalty.
- C. He is gentle and insecure, yet his hidden strengths become decisive.
- D. He wants the Society to open Zzyzx so dragons can rule openly over every magical preserve.

29. Which choice best connects the beginning and ending of the book?

- A. The story begins with Kendra's kidnapping and ends by showing the Society has expanded the attack to her parents.
- B. The story begins with the centaurs helping Seth and ends with the centaurs joining the Knights permanently.
- C. The story begins with Raxtus rescuing Kendra and ends with him refusing to help the Knights.
- D. The story begins with the Translocator being found and ends with the Oculus being destroyed.

30. What larger lesson does the artifact race teach in this book?

- A. The strongest side is always the one with the most magical creatures and the most impressive weapons.
- B. Secrets are harmless as long as they protect powerful artifacts.
- C. A good mission never requires compromise, risk, or sacrifice.
- D. Trying to stop evil can demand courage, but it can also expose weaknesses in the heroes' plans.
