

## ANSWER KEY

*Wingfeather Saga, Book 3: The Monster in the Hollows · For Parent / Grader Use Only*

|                                                                                           |                                                                                              |                                                                                                                                               |
|-------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| 1. <b>A</b> — The Green Hollows                                                           | 2. <b>B</b> — High King                                                                      | 3. <b>C</b> — To protect the king                                                                                                             |
| 4. <b>D</b> — A wolf-like Fang                                                            | 5. <b>A</b> — Song Maiden                                                                    | 6. <b>C</b> — Whistleharp                                                                                                                     |
| 7. <b>B</b> — Podo Helmer                                                                 | 8. <b>D</b> — Ban Rona                                                                       | 9. <b>A</b> — Artham Wingfeather                                                                                                              |
| 10. <b>B</b> — A Cloven                                                                   | 11. <b>D</b> — Because he looks like a Fang                                                  | 12. <b>A</b> — The Durgan Guild                                                                                                               |
| 13. <b>C</b> — Artham Wingfeather                                                         | 14. <b>B</b> — He has talons for hands                                                       | 15. <b>D</b> — It can calm or weaken them                                                                                                     |
| 16. <b>A</b> — Because it is her family's ancestral home and a refuge from the Fangs      | 17. <b>C</b> — In Dugtown                                                                    | 18. <b>D</b> — She becomes a leader and organizer for the group                                                                               |
| 19. <b>B</b> — He is part-Fang in appearance, which they associate with evil              | 20. <b>A</b> — He struggles with it but ultimately grows to embrace his duty                 | 21. <b>C</b> — He was transformed into a Cloven                                                                                               |
| 22. <b>B</b> — Esben Wingfeather                                                          | 23. <b>A</b> — By demonstrating courage and loyalty regardless of his appearance             | 24. <b>D</b> — They are a warrior people who highly value courage and toughness                                                               |
| 25. <b>C</b> — Both brothers must prove themselves in different ways in order to belong   | 26. <b>C</b> — That identity and character are defined by our choices, not our circumstances | 27. <b>D</b> — The 'monster' is actually a father consumed by grief and dark transformation — making the title both literal and heartbreaking |
| 28. <b>A</b> — That leadership is about service and sacrifice rather than status or power | 29. <b>C</b> — Prejudice and discrimination based on outward appearance                      | 30. <b>B</b> — That love and loyalty within a family can endure even the darkest transformations and losses                                   |

### Grading Guide

| Grade            | Score Range | Notes                                          |
|------------------|-------------|------------------------------------------------|
| <b>A+</b>        | 27 – 30     | Excellent — outstanding comprehension          |
| <b>A</b>         | 24 – 26     | Great work — strong understanding of the story |
| <b>B</b>         | 20 – 23     | Good job — solid recall with room to grow      |
| <b>C</b>         | 15 – 19     | Keep it up — review key story moments together |
